Dear Sir:

Thank you for your report of reception of Mar. 23, 1981, 1:00 AM. Your report indeed is very accurate--please consider this letter as an official reply of confirmation of reception.

Sorry about the delay in returning this letter....we've had an extreme volume of DX reports over the past months, and we became backlogged in our replies.

We wish you the best of luck with your fine hobby!

Sincerely,

Stephen A. Konopka
Chief Engineer
